Download the DNA Evidence Collection Checklist

DNA evidence in criminal law cases can be a life-changing tool to secure convications or exonerate innocent suspects. As long as the DNA is handled and tested properly, that is.

2 Dead, Motive Unclear in North Carolina Campus Shooting

Thumbnail

A student with a pistol and no immediately apparent motive killed two people and wounded four others at the University of North Carolina-Charlotte before campus police disarmed and arrested him, authorities said. The campus police chief said the suspect had not appeared on their radar as a potential threat.

Minneapolis Officer Convicted of Murder in 911 Caller Death

Thumbnail

A Minneapolis police officer was convicted of third-degree murder Tuesday in the fatal shooting of an unarmed woman who approached his squad car minutes after calling 911 to report a possible rape, a rare guilty verdict for an officer asserting he faced a life-or-death situation.

NEWS

Gang-associated Youth Avoid Violence by Acting Tough Online, Stanford Sociologist Finds

Thumbnail

Stanford sociologist Forrest Stuart examines how gang-associated youth on Chicago's South Side use social media to challenge rivals. He finds that, contrary to common belief, most of these confrontations do not escalate to offline violence and, in some instances, deter it.

Changes From Head Injuries Associated With Increases in Youth Offending

Thumbnail

Researchers have sought to identify the factors that promote or contribute to criminal persistence - that is, the likelihood that offenders will continue to offend. A new longitudinal study looked at the impact on criminal persistence of head injuries, which have been linked to increased levels of offending, among adolescents and early adults

UK Experts Visit Toxic Lake in Cyprus Serial Killer Case

Thumbnail

British forensics experts helping to tackle the Cyprus serial killer case visited a toxic lake Tuesday where a suitcase was found with a decomposed body inside as criticism mounted of how Cypriot police initially handled the disappearances of several victims.
